

UPHA National Honor Horse Shows

The UPHA National Honor Show Award will be presented to the show that meets the standards of the professional horsemen/horsewomen and the show horse industry. The following criteria shall be taken into consideration: the show arena, the warm up ring, the footing and lighting in each, the safety and number of stalls available, facilities for caretakers, and parking for the exhibitors. In addition to the physical aspects, the attitude of show management and its willingness to work with the exhibitors and the professionals for a better horse show, as well as the promotion of the show and the horse industry in general, through effective and innovative ways shall also be taken into consideration.
