## CELEBRATING A 2025 TO REMEMBER FOR UPHA RIBBONS OF SERVICE

The UPHA Ribbons of Service Program continues to exemplify the heart of our industry—service, leadership, and giving back. This year, UPHA members across the country united their time, talent, and resources to make a meaningful impact both within and beyond the horse community.

Together, participants raised \$106,271.29 and contributed an impressive 902.2 community service hours. Of those funds, \$102,328.79 was donated to St. Jude Children's Research Hospital, with an additional \$3,942.50 supporting other charitable organizations. These numbers represent more than statistics—they reflect compassion in action and a shared commitment to service.

Beyond fundraising, Ribbons of Service plays a critical role in developing the next generation of horse industry leaders. By encouraging mentorship, volunteerism, and philanthropy, the program helps instill responsibility, empathy, and leadership skills that will shape the future of our industry for years to come.

Thank you to every member who participated, supported, and championed this program. Your dedication continues to elevate UPHA and the communities we serve.
