

Associate Membership Award

The Associate Member Award shall be awarded to an Associate Member of UPHA who played a key role in collaborating with professionals to develop meaningful initiatives for the betterment of the UPHA and the industry as a whole. He or she went above and beyond the call of duty to provide their time, talents and resources for the specific benefit of the UPHA. This individual promoted the Associate Membership to owners throughout the industry, fostering involvement, increased membership and education about UPHA. He or she acted as an advocate to UPHA on the benefits of owner involvement to the Association and also advocated to the industry, the mission, activities and accomplishments of the UPHA.
